

We provide **ONLINE** language classes for the following groups of languages:

Kenya's Vernacular Languages.

Languages spoken by the native people of Kenya. They include: Gikuyu, Luhya, Kalenjin, Dholuo and Kamba languages.

Kenya's National and Official Languages

They are languages widely used for communication and official purposes in Kenya. They include Swahili and English languages.

Other languages

Languages termed as immigration languages by the Kenyan Government because they have been in use since the beginning of the British Colonial rule over Kenya. E.g Arabic

Kenya foreign languages

Languages not commonly spoken in Kenya but are important for study, travel and work success. They include: French, Chinese and Spanish languages.

Preserving cultural heritage

Welcome to our school!

We are an **ONLINE** language learning institution with a focus on teaching the four groups of languages used in Kenya.

Our mission is to help increase people's language proficiency levels, which will enable them express themselves properly and act freely in a world that is new to them

We consider the following ages for our intake:

1. Pre-teens (9-12 years)
2. Teenagers (13-17 years)
3. Adults (18-55 years)
